

## **“HEY BUDDY, CAN YOU SPARE SOME HEART MEDICINE?”**

In the years to come, will you or someone you love beg for healthcare and prescription medicine? Will you or someone you love pay the ultimate price, because desperately needed medical treatment or prescription medicine couldn't be afforded?

**Peter Deutsch** will fight tooth and nail not to let that happen.

**Peter Deutsch** doesn't want to see the people of Florida or the citizens of this great country suffer under the burdens of age and illness because truly affordable and accessible healthcare is not a serious consideration in our nation's capitol.

**Affordable and accessible healthcare** is a top priority for **Peter Deutsch** – not just for a few minutes today or in a sound bite yesterday – **but always!** And he believes passionately in its inevitability – if you give him the tools to win the fight.

**Peter Deutsch** needs your support, needs your voice, needs your good name lent to his campaign to provide all our citizens – **young and old alike** – with affordable and accessible healthcare.

Please click on the link below to sign your name to an e-petition. Let it be known that you want affordable and accessible healthcare for yourself, for your family and for all citizens of this country – and that here in **Florida** you want **Peter Deutsch to lead the fight!**
