

## **PRESIDENT YASSER ARAFAT REALLY IS A LOVELY GUY**

If someone told you that...what would you say in response? And depending on who said it, would you consider it true?

Before the outbreak of World War II, before London was ruthlessly bombed into rubble, English Prime Minister Neville Chamberlain convinced most of England and the world that German Chancellor Adolph Hitler was really “a rather decent chap.”

Before Arafat unleashed his dogs of terror in his most recent and still ongoing intefadah against the State of Israel, and by extension the Jewish people, the world thought he was a champion of peace, reason and co-existence.

Many still believe he is.

## **PETER DEUTSCH BELIEVES ARAFAT IS A TERRORIST**

**PETER DEUTSCH WILL SACRIFICE POLITICAL CAPITAL** in order to stand firm in his convictions – to do the right thing and to speak the unalterable truth.

## **PETER DEUTSCH IS A LEADER, AN AMERICAN, AND A TRUE FRIEND OF ISRAEL**

Political opinion is expedient and ever vacillating; it's poll driven and popularity dependant.

In a world gone mad, where the victim is the oppressor, where the sole democracy in the Middle East is unwelcome and it's existence is viewed as a tragedy and an injustice, Israel needs all the friends and support it can get.

**PETER DEUTSCH HAS LONG BELIEVED IN ISREAL** and his past actions speak louder than words.

**PETER DEUTSCH HAS LONG SUPPORTED ISRAEL** and now he needs your support to continue the fight – to speak the truth and lead by example in our nation's capitol.
