

If Not Me, Who? If Not Now, When?

We've all heard this ancient Hebrew adage, this call to action, to take personal responsibility, to do it now, and not tomorrow.

Peter Deutsch has fashioned his life and his political career on this same guiding principal.

When it comes to supporting the State of Israel, Peter is one of her staunchest allies. We can always rely on Peter to fight doggedly for Israel's rights within the world community – a community that, for the most part, looks unfavorably on Israel's existence.

Peter's support and his commitment to Israel's survival have been unwavering.

Now more than ever we need you to join the fight, to stand alongside Peter. We need your commitment and your support. We need your voice, your vote, and we need your financial contribution as well – and we need it now. Only together can we win the battles ahead. But victory costs money, lots of money.

We're asking you to contribute as much as you can, and to ask others to give as much as they can. Join us. Help us. We cannot afford to lose this fight because of a lack financial support. And tomorrow will be too late.
